Code Geass

Synopsis from: http://myanimelist.net/manga/11496/Code_Geass:_Hangyaku_no_Lelouch

There is an island in the Far East called "Japan." This small country is being threatened by the superpower nation, the Britannia Empire.

And there are two boys living there.

One is the son of the emperor of the Holy Empire of Britannia- Lelouch vi Britannia. His mother was murdered by an unknown assassin, and Lelouch was sent to Japan as a political tool. The other is the son of the Japanese Prime Minister-Suzaku Kururugi. Their meeting will be the prelude to a war involving the whole world!

RECIPES

Japanese Deviled Eggs

<http://allrecipes.com/recipe/236525/japanese-deviled-eggs/>

Ingredients

- 9 eggs
- 2 tablespoons of sesame seeds
- 1/2 cup of mayonnaise
- 2 teaspoons soy sauce
- 2 teaspoons wasabi paste
- 2 teaspoons rice wine vinegar
- 2 tablespoons of thinly sliced green onions
- 4 tablespoons of panko bread crumbs

Directions

1. Place eggs in a saucepan; cover with water. Bring to a boil, remove from heat, and let eggs stand in hot water for 15 minutes. Remove eggs from hot water, cool under cold running water, and peel.
2. Place sesame seeds in a dry skillet over medium heat; cook and stir until lightly browned, about 3 minutes. Remove to cool on a plate lined with a paper towel.
3. Cut each egg in half lengthwise; place egg yolks into a food processor with mayonnaise, soy sauce, wasabi paste, and rice vinegar. Process until smooth; place green onion and panko bread crumbs into yolk mixture and pulse just enough to mix evenly.
4. Arrange egg white halves on a serving platter; spoon yolk mixture into whites. Sprinkle with toasted sesame seeds.

Chi Chi Dango Mochi

Ingredients

- 1 pound of mochiko (glutinous rice flour)
- 2 1/2 cups of white sugar
- 1 teaspoon of baking powder
- 2 cups of water
- 1 teaspoon of vanilla extract
- 1 (14) ounce can of coconut milk
- 1/4 teaspoon of red food color
- 1 1/2 cups of potato starch

<http://allrecipes.com/recipe/31400/chi-chi-dango-mochi/>

Directions

1. Preheat oven to 350 degrees F (175 degrees C). Grease a 9x13 inch pan. Whisk together the rice flour, sugar and baking powder; set aside.
2. In a medium bowl, mix together the water, vanilla, coconut milk and red food coloring. Blend in the rice flour mixture. Pour into the prepared pan.
3. Cover the pan with foil and bake for 1 hour. Allow to cool completely.
4. Turn the pan of mochi out onto a clean surface that has been dusted with potato starch. Cut into bite size pieces using a plastic knife. The mochi does not stick as much to plastic knives.
