Open to children age birth through those finishing 6th grade. Please register your child for the grade they will be entering in the fall of 2018.

**Registration begins:** Friday, June 1  
**First day to turn in reading records:** Monday, June 11  
**Summer Reading Club ends:** Saturday, August 4

### Children 3 years through those finishing 6th grade

From **June 1 – August 4**, kids who participate in the Summer Reading Club read books and win prizes. Not only is it fun and a great excuse to visit the library, but participation in the program keeps kids reading—and learning—all summer long.

### Children under the age of 3 years

It's never too early to start reading to your child! Parents can learn early literacy techniques and little ones can earn a book. This reading club is designed for children age birth to 35 months and their parents.

The Waukesha Public Library's Summer Reading Club is dedicated to motivating children to read. Our goal is to make reading a fun and beneficial part of everyday life. While some children may be motivated by the incentives, we hope that most of the joy will come from the satisfaction of reaching a personal goal, parental enthusiasm and the sheer pleasure of reading.

## Rockin' Reader – Read More! Know More!

Encourage your children to read more this summer!

### Help us reach our "Rockin' Reader" goal of 20,000 minutes!

If every child who is registered for Summer Reading Club reads just six hours between June 1 and August 4, we will meet our challenge and help children in Waukesha receive the tools and support they need to make music.

Through a generous donation from the Waukesha County Community Foundation's Donald J. & Betty Lou Tikalsky Fund, we will make a contribution to the White House of Music Foundation to help fund instrument rentals to students in Waukesha!
