VIRTUAL SUMMER

Due to COVID-19 and the Library's multi-phase reopening plan, the 2020 Teen Summer Library Program will be held virtually. All teen programs will be held through Zoom or on our Instagram account. This summer, the Library is excited to offer Beanstack, an online software, to help us track summer reading! More information on Beanstack can be found inside this packet.

Looking for reading material? You can place holds through our catalog or by calling the Reference Desk. With your library card, you also have access to Overdrive, Libby and Hoopla for digital eBooks and audio books!

Library employees, their immediate families and household members are not eligible to participate in prize drawings.

Beanstack

Beanstack is an online software that will help Waukesha Public Library facilitate our Teen Summer Library Program. Through Beanstack, you can track the number of pages you've read, earn badges, do activities, win prizes, and more! Beanstack can be accessed through the free app or through our Library's Beanstack website.

How to sign up for the Program:

1. Download the Beanstack app if using your phone or tablet. If using a computer, visit our Library's Beanstack website: waukeshapubliclibrary.beanstack.org. Click on the button that says "Register an Individual or Family."
2. From here, you can register and get set up with a Beanstack account. Once registered, make sure to sign up for the Teen Summer Library Program!
3. Start earning badges! There are 50 badges you can earn through our program. The badges are broken into three categories:
 - **Challenge Badges (2):** You will earn your first challenge badge by signing up for the program. Your second badge is unlocked once you've earned 25 badges from the Logging and Activity badge categories.
 - **Logging Badges (5):** These are badges you earn by logging the amount of pages you've read this summer.
 - **Activity Badges (43):** These are badges you can earn by attending a virtual program or doing an activity.

To complete the program, you must earn 25 of the 50 available badges. Once you earn 25 badges, you can contact the Library to pick up your Prize Pack filled with coupons and other trinkets!

Don't have access to WiFi, the Library website, or the Beanstack app? No problem! Please contact the Library so we can get you set up with an Offline Reader Log that allows you to still earn badges and participate in the Teen Summer Library Program!
